OLD BUSINESS

NEW BUSINESS

REQUEST TO SURPLUS 2003 RECYCLING TRAILER (VIN 7249)

Utilities/PW Director Dave Carlstedt stated that the City received a \$27,000 grant and the City purchased a new self dumping recycling trailer for \$14,000. He asked the Council to surplus the 2003 recycling trailer.

Councilmember Bathje asked Dave Carlstedt how many recycling trailers the City has currently since he would like to see a trailer out for the public to use in a locked position that is open during the day hours and he does not want to get rid of all of the trailers. Dave Carlstedt stated that he would like to buy another new recycling trailer but we do not currently have enough money left in the grant to purchase another one at this time.

Councilmember Deyer moved to suspend the rules to take action on New Business, seconded by Councilmember Riel. There being no discussion, all members voted aye.

Councilmember Baier made the motion, seconded by Councilmember Deyer to declare this a surplus trailer and dispose of it. There being no discussion, all members voted aye.
