April 9, 2018

Dear Parents and Campers,

Greetings! Wilmore Summer Recreation plans are underway and we are planning to have a fantastic summer! This is your personal invitation to join us for the all the fun!

Some of the scheduled activities include: fun trips, sports clinics, arts & crafts, 4th of July celebration and lots of swimming! The camp is able to run through gracious partnerships in the community with the Jessamine County School System and the Asbury University Luce Center. I thank them for their strong support of our community.

Please read all of our procedures, policies and daily schedules carefully. The camp will run for eight one-week sessions, beginning on June 4th. You must sign up for which week(s) your child will attend. The fee structure is detailed under General Procedures. Either one week's fee payment or the total payment must be received to process registration forms. We are limited to 100 children each week, so if this sounds like something your child would like to participate in, please fill out the registration form completely and return it, along with the fee, to the above address.

Merrelyn Carmichael will be the on-site director again this summer and we will have some returning staff and some new staff! We hand-pick the staff to make sure they will provide your kids with a great experience.

If you have any questions, please feel free to contact me at 859.338.2208 or afitch@wilmore.org. I am looking forward to a great summer with your child!

Sincerely,

Amy Fitch, Director
Wilmore Parks & Recreation
