

## Wilmore Summer Recreation 2024

February 12, 2024

Dear Parents & Campers,

Wilmore Summer Recreation 2024 details are in the works and we have a great summer planned! Included will be: sports instruction, arts & crafts, swimming, and lots of fun games! I am hopeful we will have the ability to go on several field trips this summer and I will update parents when that information is available.

Please read all of the procedures, policies and daily schedules carefully. The camp will run for eight one-week sessions, beginning on June 3rd. You must sign up for which week(s) your child will attend. The fee structure is detailed on the General Procedures/Policies information page.

**Registrations must be completed online via the registration link that you will be emailed. Campers who attended in 2023 (and their siblings) can register beginning at 8:00am on April 8th. Any remaining spots will open for new campers beginning on April 15th. Fees must be paid within one week of registering or forfeit the spot. If you are registering more than one camper, you must pay the Registration Fee for each camper and at least one Camp Fee in full.**

*If you want your camper to attend, please register at the earliest possible time available to you. All the spots filled up very quickly last summer.*

Merrelyn Carmichael will be the On-Site Director again and we have some dynamite staff lined up to provide a great experience all summer!

**Please follow Wilmore Parks & Recreation on Facebook for updates and reminders.**
